

Change Management

"I can find no better way to describe a Kazembe seminar than to say it is a cleansing and a filling all in one. Old fears, suspicions and inhibitions are wiped away and in their stead, participants receive a capacity for love, forgiveness, personal growth and fulfillment."
Dr. Henley Morgan Managing Director, Caribbean Applied Technology Centre

Change And Adapt Or Become Extinct.

The Situation

The business world today is more challenging than ever before. The world is changing at such a rapid pace it is hard to keep up. The situation worsens because many leaders, managers and employees are afraid of change.

The Opportunity

Initiating, welcoming and managing changes appropriately is one of the most potent ways a company can ensure that it remains ahead of the pack. The key is to transform and empower your people to become secure, powerful and enthusiastic change agents, focused and committed to carrying out the organization's vision, mission and goals.

The Potential

This powerful and impactful training program custom-tailored to your specific organization, will give your team powerful tools, strategies and the confidence to embrace, welcome and initiate changes that will propel your organization towards achieving its objectives.

The Training

This two day interactive and experiential learning program is custom-tailored for your specific organization. It is facilitated by Courtney Kazembe or one of our qualified team members, of Quantum Ventures Inc. Quantum Ventures is a company that specializes in transformational, human development and empowerment training. Our presentations are high energy, motivational, with unusually light content. Our results are impressive and in all cases, produce bottom line results.

The Benefits

- Create a new paradigm, culture, language and way of being.
- Create a learning organization.
- Create a secure, confident and powerful team.
- Create charity, acceptance and participation in the company's vision, mission and goals.
- Create loyalty, commitment and love for the company.
- Create a team of people who welcome, initiate and accept changes.
- Create powerful teams, team leaders and coaches.

The Trainer

Courtney A. Kazembe is a leader in the techniques of leadership, transformational technology, human development and empowerment training. His presentations are high energy, motivational, with unusually high content. The results are impressive, and in all cases, produce bottom-line results. Courtney's presentations motivate people, increase productivity and sales volume as well as enrich and enlighten.
